Summer 2018

» President's Message

20 Years is just the beginning!

I am proud to announce Prairie Community Bank is celebrating 20 years in our community this year. In celebration of our anniversary we hosted events throughout the week of April 2nd. Our celebration continues throughout the summer and will end with our final event on September 28th. I hope you can celebrate with us at our Oktoberfest event – an event Prairie enjoyed hosting in our early years.

Our celebration also demonstrates Prairie's commitment to "community". On May 1st, Prairie Community Bank hosted its first multi chamber event – including the Marengo Union Chamber of Commerce, Crystal Lake Chamber of Commerce, Huntley Chamber of Commerce and Elgin Chamber of Commerce. All of these chambers represent our community and they spent the evening helping us celebrate Prairie Community Bank's 20 years of business.

The month of May also marks the one year anniversary of our Lending Services office in Elgin. Prairie Community Bank continues to grow while reflecting our commitment to the community.

I appreciate your business and all of us at Prairie Community Bank are very excited to be YOUR community bank – a bank exactly like no other bank.

Happy 20th Prairie Community Bank!
